

KODAK

Portable HDD P190

Specification

The KODAK HDD P190 is a highly secure and stable portable mechanical hard drive that can provide a capacity range of 500GB/1TB/2TB/4TB, expanding user data storage space and enabling multiple backups of big data.

The speed can achieve high performance of UP to 120 MB/s¹ read and UP to 100 MB/s write.

Widely compatible and adaptable to various smart devices, tailored for users who need to backup and move large files, providing powerful security and stability performance.

PC durable shell, square and upright design, convenient to carry around.
